HAMILTON MODEL FLYING CLUB

HMFC

HMFC

Do you have an interest in RC flying?
Not sure where flying clubs are locally?
If your still reading this we want to tell you more…
Hamilton model flying club is a well established RC flying club.
From people who are experienced RC pilots to those keen to learn, HMFC can provide a flying site with experienced RC pilots to hand to help and provide guidance and tuition for flying and for RC builds.
Training nights weekly dependant on weather conditions.
It's a great community of people interested in RC flying.
Opportunity to gain Bronze/Silver/Gold certification.
Club cabin, kitchen utility and disabled toilets onsite.
Annual awards and summer events.
Families welcome!

HAMILTON MODEL FLYING CLUB

COMMUNITY FUND

Hamilton Model Flying Club is a Scottish Charitable Incorporated Organisation.
Registered Charity Number SCO46658

TO BE ISSUED ON ENQUIRY ONLY

Directions To Our Club Airfield

From M74, exit at Junction 8 (Southbound). Turn left off the slip road and continue to the roundabout, Northbound the slip road will bring you directly onto the roundabout.

Turn left at roundabout towards Blackwood, You will pass two parking laybys - immediately after the second layby turn left.

You will cross a bridge over the motorway. Immediately after the bridge turn right.

As you follow the road (Broomfield Road) you will see a green cabin on top of the hill on your right, this is the flying site.

To reach it proceed along Broomfield Road until you reach a sharp right hand bend, as you go around this bend you will see a gate ahead next to a house called Broomfield Farm Cottage, if you have a sat nav on your car the post code is ML9 3DH and this will take you to our location.

Go through this gate onto a dirt track road, proceed up this road and you will reach the flying site.

You should contact the club in advance with your details and enquiry to gain access through the gate.
